

Boulevard Planters

Boulevard commercial-grade planters combine the durability of fiberglass with the warmth of wood. A fiberglass liner keeps moisture from soil, ground, and irrigation away from the cladding extending the life and beauty of the wood surfaces.

While Tournesol offers a variety of wood species and colors, thermally modified hardwood is our preferred cladding for an environmentally friendly, beautiful, and

durable finish. To view your wood options, please visit tournesol.com/materialsfinishes.

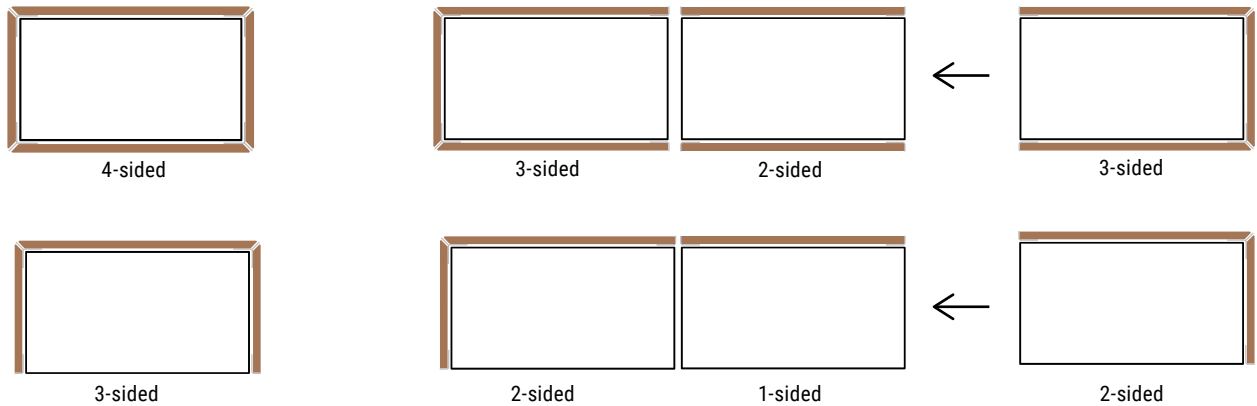

Configure your cladding and wood top cap options to seamlessly connect planters together. Use Tournesol's broad range of product options, such as scoops and casters, in conjunction with irrigation and drainage to customize your planters.

Boulevard Planters

- Commercial-grade planters
- Suitable for indoor or outdoor use
- Fiberglass liner with wood cladding
- 1-5/8" drain holes available upon request
- A broad range of standard sizes
- Change in height option is available but limited by cladding dimensions.
- Min/Max Dimensions: Length 18"- 96", Width 12"- 60", Height 18"-42"
- Planter is water-resistant
- TourneSeal waterproofing sealant available

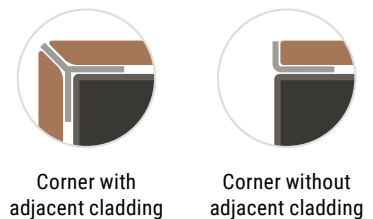

CLADDING

When selecting cladding options for your planters, you should specify cladding to cover visible sides. You may choose to omit cladding from sides to accommodate your plans.

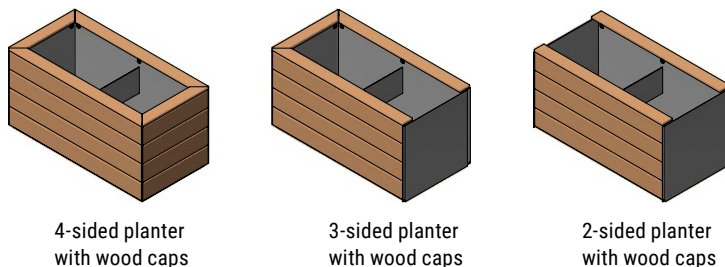

Opting for less than 4-sided cladding will reduce your planter dimensions. Each cladded side is approximately 1" thick. Dimensions shown are for planters with 4-sided cladding.

Note that the construction of planters differs for each of the four cladding options. Removing cladding after manufacturing is not recommended.

WOOD TOP CAPS

Adding matching wood caps to Boulevard planters > 18" L provides a 3.5" lip and a nicely finished edge. Note that you can also order your wood top caps 4-sided, 3-sided, 2-sided, or 1-sided to match your planter cladding.

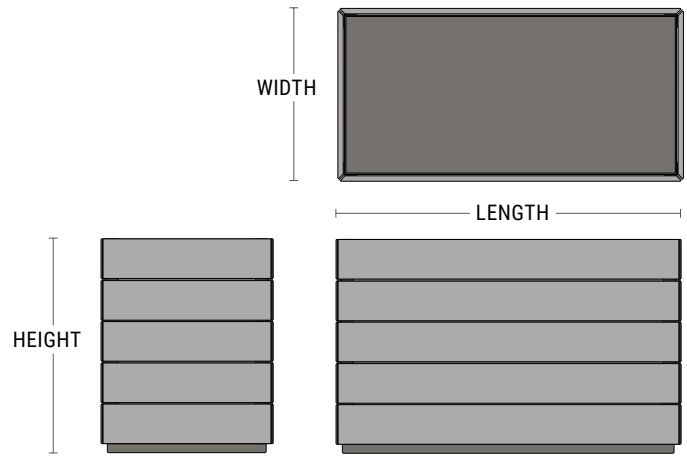

PART. NO.	DESCRIPTION
BVC-4S	Wood Caps - 4-sided planters ≤ 48" L
BVC-4L	Wood Caps - 4-sided planters > 48" L
BVC-3S	Wood Caps - 3-sided planters ≤ 48" L
BVC-3L	Wood Caps - 3-sided planters > 48" L
BVC-2S	Wood Caps - 2-sided planters ≤ 48" L
BVC-2L	Wood Caps - 2-sided planters > 48" L
BVC-1S	Wood Caps - 1-sided planters ≤ 48" L
BVC-1L	Wood Caps - 1-sided planters > 48" L

Boulevard Planters with Greenscreen® Trellis

Boulevard Planters With Greenscreen® Trellis

- Fiberglass planter with wood cladding with powder-coated Greenscreen® trellis. 2"W x 2"L x 3"D grid.
- Trellis vertical supports fit into planter lip and are secured with discrete stainless-steel fasteners.
- Trellis frame extends to planter edge so adjacent planters form a seamless trellis wall.
- Drain holes available upon request or installed in field.
- Note: Wood top caps are not compatible, and planters are only available with 4-sided wood cladding.

* Add "-X" after product number to indicate optional offset mounting.
