

Plaza Collection Receptacles

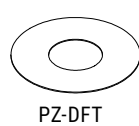

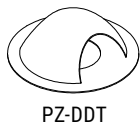

Provide an attractive solution to litter control in public places, with steel straps, and simple, clean lines, to match our Plaza benches and picnic tables. Manufactured in two configurations, featuring hinged tops or side-open doors with flat or dome tops.

Plaza Receptacles

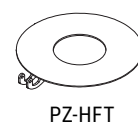

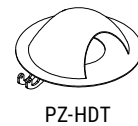

- Designed to use with Plaza Benches & Picnic Tables
- 1/4" x 1-1/2" Steel straps fully welded to steel framework
- Receptacles are listed without tops – first choose a body style (hinged top-load or side-opening), then select a top (flat or dome)
- Sustainably made from 96% recycled steel
- Optional lock assembly, decals, and leveling feet
- Ships fully assembled, except units with dome tops require dome assembly
